

Village Hires Two Police Officers

Two newly-hired police officers will begin orientation and training in Chevy Chase Village on Monday, August 10, 2015.

Mr. Eli Perper, 22, of Silver Spring and Mr. Drew Fones, 24, of Laytonsville will begin their careers in public safety with the Village Police Department. One of the vacancies was created by the resignation of an officer in May of this year, and the other was the result of a newly-authorized position effective July 1, 2015.

Both Mr. Perper and Mr. Fones are Maryland certified police officers. Mr. Perper received his state-certified training at the Prince George's County Municipal Police Academy, and Mr. Fones was trained at the Montgomery County Police Academy. The new officers will be riding with veteran training officers during their Village-centered training which will last approximately one month.

We are excited to welcome Officers Perper and Fones to the Village.
